

REQUIRED MATERIALS FOR TENURE-LINE PROMOTION CANDIDATES

All required materials (except for published books) should be uploaded to our dedicated promotion review site, Faculty Folio RPT (Review, Promotion, and Tenure). Information about and access to Faculty Folio RPT will be shared with candidates and departments at the appropriate time. One copy of each published book (normally, books published since tenure) will need to be delivered by the department to the Dean's Office.

*Beginning in 2021-2022, the identification of benchmarks by departments is no longer required. Instead, external evaluators may be asked to compare the candidate's scholarly achievements with those of other scholars of similar rank whom they deem to be top scholars in the field. Normally, these comparisons should be made to scholars appointed in programs considered to be among the very best nationally in the discipline.

Upload electronic versions of EVERYTHING above (except published books) to Faculty Folio RPT, which will be shared with candidates and departments at the appropriate time. SCANS should be 600 dpi resolution.
