Why Arch Scholars?

I was excited to get into Northwestern, but I was nervous that I would have a hard time getting adjusted to the rigor of the university. Participating in Bridge gave me a chance to ease into college instead being thrown in all at once.

WHY NORTHWESTERN?

One of the reasons I chose Northwestern was its proximity to Chicago. I wanted to go to a school that was near but not in the middle of a big city. I also like how easy it is to be able to take classes/study things outside of your major or specific school within the university. The quarter system can be rigorous but it does allow the opportunity to take a larger variety of classes!

MY FAVORITE ARCH MEMORY

One of my favorite Bridge memories is staying up at night baking cookies and eating ice cream with each other!
