## Why Arch Scholars?

After accepting my offer to NU, I realized I had no idea what the college experience would look like. Participating in Bridge before my freshman year gave me a strong community and jumpstart to all things college: classes, dorm life, insider advice, dining halls, etc. Bridge allowed me to come into Wildcat Welcome and Fall Quarter with a strong community of friends and faculty that made me feel really comfortable on campus!

**CLASS OF 2023**

**MAJORS: ENVIRONMENTAL  
SCIENCES & PSYCHOLOGY**

**UTF FOR: BRIDGE**

## COME TO ME FOR...

- Environmental Sciences
- Anything collegiate a capella related
- Navigating work-study
- Student research

## WHY NORTHWESTERN?

I chose Northwestern because it felt like the perfect fit for me! I loved the campus, academic opportunities, and the financial aid from NU made this an attainable choice!

## MY FAVORITE ARCH MEMORY

Pulling an all-nighter playing card games, watching the sunrise, and then getting dining hall pancakes at 7 am! OR Going thrifting in downtown Chicago!
