## Why Arch Scholars?

I really wanted to be in an environment of students who came from a similar background as my own (first in their family to go to college and are low-income). I knew that going to college would be a significant jump from my high school coursework and wanted to feel welcomed prior to the school year beginning!

## COME TO ME FOR...

- Budgeting/Managing finances in college
- First-Gen lower-income (FGLI) resources
- Student Enrichment Services (SES)

## WHY NORTHWESTERN?

I chose Northwestern because of the phenomenal academic and career advancement resources!

## MY FAVORITE ARCH MEMORY

Getting to travel to Chicago and explore the neighborhoods with my counselors and the other students! Northwestern has amazing resources and people. Bridge was one of my favorite parts of my college experience and allowed me to start my first year strong and confident in my ability to pursue university!
