Journalism & Linguistics

Why Northwestern?

I chose Northwestern because of the beautiful campus and the multitude of opportunities I would receive while here.

Come to me for:

- Journalsim
- Sports
- Feelings of Imposter Syndrome
- Anything!

Why did you become a counselor?

I wanted to give other FGLI students the experience I had and help them become comfortable with campus and college.

Favorite Spot on Campus:

Magazine room in Main Library or the top of the parking garage by SPAC.
