Why Arch Scholars?

I decided to apply to the Bridge summer program because I wanted to get comfortable in the Northwestern environment before classes started, as well as even the playing field for myself trying to calibrate my academic skills to Northwestern's expectations.

WHY NORTHWESTERN?

I wanted to attend a college that I knew would challenge me academically, as well a place with a typical college experience of football games, school pride, with plenty of fun activities to do in near by areas!

MY FAVORITE ARCH MEMORY

Late night bonding sessions with my peers!
