

NAME: HIBA

STUDYING: NEUROSCIENCE AND GLOBAL HEALTH

FAV PLACE ON CAMPUS:

DEERING LIBRARY!

FAVORITE PROGRAM MEMORY:

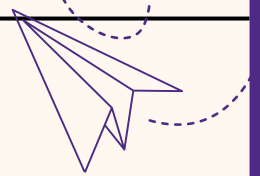

WEEKLY MEETINGS WITH EVERY COHORT AND OUR COUNSELORS, SINCE IT BROUGHT EVERYONE BACK TOGETHER THROUGH VARIOUS ACTIVITIES AND CONVERSATIONS.

COME TO ME FOR:

RESEARCH ADVICE/EXPERIENCE, PRE-HEALTH INQUIRIES, INQUIRIES REGARDING CLUBS OR ORGANIZATIONS, STUDENT LIFE, AND BALANCING BEING A STUDENT AS WELL AS A PERSON!

ADVICE FOR FIRST YEAR STUDENTS:

ONE PIECE OF ADVICE I WOULD GIVE INCOMING STUDENTS IS TO BE INTENTIONAL WITH YOUR TIME! WHILE NORTHWESTERN IS RIGOROUS AND PRIORITIZING ACADEMICS IS CRUCIAL, DON'T ISOLATE YOURSELF. TRY BUILDING A ROUTINE THAT WORKS FOR YOU SO THAT YOU CAN BALANCE YOUR SOCIAL LIFE, HOBBIES, AND BEING A STUDENT.
